Delinquent Taxes

State of Alabama - Lee County

Notice is hereby given that under and by virtue of decrees rendered by the Lee County Probate Judge, as assessed by the Revenue Commissioner Lee County, and in compliance with legal requirements, I shall proceed to sell at public outcry to the highest bidder for cash at the Lee County Courthouse, beginning 10 o'clock on Wednesday, May 1, 2024 the following described parcels of real estate assessed to the following named owners for the payment of taxes, fees, costs and interest as shown opposite each parcel. Ad Valorem taxes are paid one year in arrears; therefore the following delinquent accounts are in the owner's name as of October 1, 2022. If property was sold after this date it is listed in the previous owner's name. Payment for delinquent taxes must be in the form of cash or certified funds

To facilitate ease of registration it is recommended you bring insurance information with you.

WHAT TO DO WHEN YOU BUY PROPERTY

New property owners often rely on their title company, real estate agent or other representative to properly record and assess their property. The final responsibility is still yours, as the new owner, to see that all the necessary steps have been completed. The steps are:

- Record your deed in Probate Court
- Assess the property in the Revenue Commissioner's office
 - Claim any exemption due you
 - Make sure all of this is completed no later than December 31 for all property purchased on or before Oct. 1 in order to receive a bill in your name for the next year.
 - If your mortgage company has agreed to pay your property taxes, a copy of the assessment sheet should be mailed to the company as soon as it is received. This will give them complete information to request a bill for your property.
 - Report all address changes promptly to the Revenue Commissioner's office.
